

Assessment Report

of EU-battery CE examination

Report Number **CIRSCeBattery2024061401**

Manufacturer **Name: CAMEL GROUP CO., LTD.**

Address: No.65, North Hanjiang Road, Gaoxin District, Xiangyang, Hubei, China

Product Name **AGM Lead-Acid Battery**

Product Model Number **A200,A310,A430,A500,A660**

Product Type **Starting, lighting and ignition battery (SLI)**

Relevant Regulations **Regulation (EU) 2023/1542**

Information Provided by The Manufacturer **Technical documentation**

Result of Assessment

The above-mentioned products comply with the technical documentation requirements of Module A of the conformity assessment procedures in Article 17 of Regulation (EU) 2023/1542.

This assessment report does not make any representation or warranty to any individual or entity other than the designated report holder. Its issuance is solely for record-keeping purposes. This assessment report does not signify an endorsement of the report holder's facilities or products by the European regulatory authorities.

Assessed by: **Dr. Michael Chang**

Place and Date: Hangzhou, 2024/6/14

ANNEX A

Assessment of Technical Documentation

No.	Requirement	Handed over / Not handed over	Verdict	Comment
(a)	a general description of the battery and its intended use;	Handed over	Pass	-
(b)	the conceptual design and manufacturing drawings and schemes of components, sub-assemblies and circuits;	Handed over	Pass	-
(c)	the descriptions and explanations necessary for the understanding of the drawings and schemes referred to in point (b) and the operation of the battery;	Handed over	Pass	-
(d)	a specimen of the label required in accordance with Article 13;	Handed over	Pass	-
(e)	a list of the harmonised standards referred to in Article 15, applied in full or in part, including an indication of which parts have been applied, a list of the common specifications referred to in Article 16, applied in full or in part, including an indication of which parts have been applied, and a list of other relevant technical specifications used for measurement or calculation purposes;	Not Handed over	N.A.	-
(f)	where the harmonised standards and the common specifications referred to in point (e) have not been applied or are not available, a description of the solutions adopted to meet the applicable requirements laid down in Articles 6, 9, 10, 12, 13 and 14 or to verify the compliance of batteries with those requirements;	Handed over	Pass	-
(g)	the results of design calculations made and the examinations carried out, and the technical or documentary evidence used; and	Handed over	Pass	-
(h)	the test reports.	Handed over	Pass	-
